

## **1. Agri Nexus Pvt.Ltd.**

Agri Nexus is a private organization based in Koshi Province, focused on enhancing farmer groups and cooperative capacities through technical support, aiming to improve agricultural income. They advocate for farmers' rights, offering affordable quality seeds, eco-friendly plant protection, and agricultural technologies. They are currently supporting over 200 farmers in Chautara Sangachowkgadi Municipality, Sindupalchowk, enhancing product volume and quality. Their initiatives include establishing a direct market to connect farmers with consumers, eliminating middlemen, and helping the farmers set up bank accounts for financial transparency. They facilitate access to resources, crop insurance, and loans, and plan to create community seed banks to preserve indigenous crop diversity.
